

**FOUR SEASONS**

# TOWER OF RETAIL POWER

Let Us Bring Your Shoe Accessory Business to Life  
Without Risk!

Three sides of one amazing triangular display on wheels.

The Four Seasons Retail kiosk is an assortment of **Guaranteed Winners** that have performed at retail for many years without fail.

Burten Distribution has put together a program that will add life to your accessory business without thought and without risk. We will provide **PM/spiffs** on every product to drive your personnel to make that add-on sale. These PM's will only be paid when the store re-orders ensuring a constant flow of merchandise. Specific order forms will be provided and [BurtenDistribution.com](http://BurtenDistribution.com) will have a section with only products that are on the Tower to simplify re-ordering. We have set up an easy payment plan with **25% down and 25% 60/120/180 days**. After 120 days all products will be accessed to determine if any have been misplaced in your retail environment.

**This is a guaranteed success.** Once the Tower is placed you will see the additional dollars begin to flow through your cash registers. Your staff will love the bonus cash that our PM's will provide and our vendors have committed to frequent sales contests on specific products.

**In today's world of markdowns and discounts the Tower of Retail Power will make you smile. Saying yes will be the best decision you make today.**
